17-18 OCTOBER 2020

Exchange of experiences
in different activity fields

1ST EAP CONFERENCE ON REFUGEES

On behalf of European Association for Psychotherapy (EAP), we are honored to announce that the **Working group for refugees**, is for first time organizing a EUROPEAN CONFERENCE ON REFUGEES' ISSUES, with theme **INTEGRATION OF REFUGEES IN EUROPE - Exchange of experiences in different activity fields**.

The conference will be hosted by **Kosovo Association for Psychotherapy (KAP)** and will occur right after end of this year autumn EAP Board Meeting which will be also hosted by KAP, in **Pristina (Kosovo), from 17-18 October 2020**.

The main idea of this conference is to provide an experience exchange platform for all professionals dealing with refugees in different meters of humanity and mental health.

▶ PARTICIPANTS

Conference is open for **professionals working with refugees** in any European country and anybody else who is interested in the topic. We invite and welcome psychotherapists and other professionals to participate in and contribute to this Conference also with their presentations and discussions by exchanging professional opinions for this very important socio economical and political issue.
